## THE ARTIST BEHIND....

**HERDI GIRI** graduated from BPLP, Nusa Dua, Bali before starting his culinary journey. Upon graduation, he worked as Pastry Commis at renowned Hotels in Bali, including Bali Hilton International and Bali Intercontinental Hotel. In 2000, Herdi became a Executive Pastry Chef at the Cruise Line in Europe. After 8 years working as Executive Pastry Chef, he was itching to express himself creatively through pastry and finally challenged himself to open his own establishment. In 2013, together with Anthony Pribudi, he opened **LIVINGSTONE**.
